

Supply List for the Taina Mantey “Encaustic Exploration” Workshop

Materials provided:

Beeswax and Encaustic Medium, encaustic waxes, hot plates/griddles, utensils, heat guns, canvas panels to work on, and fabric scraps, yarns, and wool from Anne's studio stash.

Materials to bring:

- 10-12 cheap wood handled paint brushes of various sizes (these brushes will never be used for anything but wax again).
- Apron
- Old hot pad.
- Fabric scraps, fibers, and notions to incorporate. You can embed all kinds of things into the wax, so bring a variety of items, doodads, trinkets, etc.

Bring a bag lunch.

Note: This workshop will be held in Tecumseh, MI.
