

The Village Theater (at Cherry Hill) Exhibit

Month of November 2022

[The Village Theater at Cherry Hill](#)

50400 Cherry Hill Road, Canton, MI 48187

Several performances take place at the theater during November, so exhibits are viewed by many audience members. The venue is more intimate than the Power Center, so smaller as well as larger pieces show well there. In addition we can exhibit work on mannequins and on sculpture stands (which have lids). The Village Theater asks for 30-40 pieces for the show.

To be eligible to exhibit you must have:

- paid your 2022-2023 AAFG membership dues
- your work accepted by the exhibit jurors

Eligible Work

- 2D and 3D fiber art of any size.
- Work may be composed of a single piece, or a composition of several smaller works constructed to hang as a unit. *Special Considerations: If work is very large, you may request to submit a digital image for jurying. If work is very small and presented as a group, a digital image showing the grouping must be submitted.*
- Work not shown previously at the Village Theater, work created within the past 5 years, and "key" pieces which are not stylistically "dated." Work that was shown at Power Center Show may be eligible.
- Please review the [AAFG Guidelines for Exhibitors](#).

Commission

The Village Theater assesses a 35% commission.
