

“Think Spring!”

A Non-Juried AAFG Member 2D/3D Fiber Art Online Show

First Viewing: April 11, 2022*

To participate in this show, you must have paid your 2021-2022 AAFG membership dues.

Eligible Work

- Spring-themed 2D and 3D fiber art of any size.
- Work may be composed of a single piece, or a composition of several smaller works constructed to hang as a unit.

Send the following to Mary Valerie Richter (fibercats@comcast.net):

- For each submission, include a photo of your work, and a detail shot if you like.
- Include:
 - title of your piece
 - dimensions
 - materials and techniques used

Digital Image Size Requirements:

- Sharp image(s). See *Photographing Fiber Art* in the AAFG Member page section for tips.
- Minimum size: 1200 x 800 pixels
- JPEG format only.
- Send as an attachment or put in a zip folder.
- The name of the file should match the name of your piece and your last name. Example: chromacolor_richter (chromacolor_richter.jpeg) or ChromaColorRichter (ChromaColorRichter.jpeg)
- **FROM A SMARTPHONE.** It is difficult to rename your file if you send from your smartphone, so include only **ONE IMAGE PER EMAIL**. Send the largest file possible (**ACTUAL SIZE IS PREFERRED but use at least the largest file size available**). You should be able to choose that setting when you send the email. Photos can always be reduced to the correct size but enlarging will distort the image.
- No PDF submissions.

PHOTO SUBMISSION DEADLINE IS MARCH 31, 2022

*A slideshow of the exhibit will be available on the AAFG website at the end of April. Each artist will be featured on the AAFG Facebook page.
