

QUILTING

Definition: Layers held together by stitches

Please consider the following in the designing of your quilt or quilted object:

- Use and placement of color
- Contrast
- Visual impact
- Balance/variations
- Composition/Design Principles
- Choice of Materials

JURY CONSIDERATIONS

ARTISTRY (originality and creativity)

- Is the design original?
- Does the design show the voice of the maker?
- Does it have attributes of good design principles and elements as appropriate?

WORKMANSHIP

- Is the workmanship of high quality?
- Does the quilt lay flat?
- Is the stitching appropriate for the design? Are intended straight lines straight?
- Are the edges finished neatly?
- Is the hanging system hidden? Does it function properly?
- Are seams smooth?

USABILITY

- Are materials chosen appropriate for the quilt?
- Are care instructions provided?
